Committee Discussion

Sustainability Advisory Committee (SAC) Meeting | June 13, 2025

Below are some potential paths forward for the Sustainability Advisory Committee

1. Status quo – continue as an advisory Brown Act body of the City Council.
2. Fewer meetings, more ad-hoc – continue as an advisory Brown Act body but meet less frequently (quarterly?) and instead prioritize smaller, ad-hoc committees of 2-3 to focus on specific questions.
3. Informal community group – disband as a Brown Act body but continue to meet regularly as a group of interested and informed community members with regular City of Woodland staff interaction.
4. Others?
