NOTICE: Individuals who need special assistance or a disability-related accommodation in order to participate in this meeting should contact Spencer Bowen at least 48 hours in advance of the meeting. Spencer may be reached at (530) 661-5808 or by emailing spencer.bowen@cityofwoodland.org.

SUSTAINABILITY PROJECTS		
Project Name	Description	Status
City / WM Agreement	The City of Woodland extended its waste-hauling agreement with WM, effective September 1, 2025	Rollout of state-mandated green top organic bins in progress but slightly delayed due to manufacturer error Bins in good shape will get tops swapped, reused; others will be replaced. Old bins to be recycled per WM
Regional Resilience Grant Program	County-wide effort to create a Yolo Regional Resilience Collaborative (YRRC) that will position us for better collaboration on regional projects and additional funding; state funded through a grant.	Second in-person public workshop next month This second public workshop is an opportunity to: - Learn about what YCRRC has been up to since workshop one - Share community climate resilience updates and resources - Connect with partners across the region - Provide feedback on the eight priority project descriptions that were developed from the resilience needs identified during workshop one Workshop Details: Date: Monday, July 20 Time: 10:00 AM - 12:30 PM Location: 167 Community Room, Yolo County HHS Gonzales Building, 25 N. Cottonwood St., Woodland, CA 95695
Zero Emission Vehicle (ZEV) Action Team	County-wide effort to perform an analysis for the county's ZEV infrastructure needs, positioning us better for future grant applications and investments; each member will work with selected consultant on a municipal fleet transition plan.	Final Draft plan currently under review by participants; final review submitted today, June 17
City-County Climate Working Group	Regional climate and sustainability collaboration: Local city and county staff in Yolo and Sacramento counties	City is a member and staff are actively attending meetings.
Capital Regional Climate Resilience Collaborative (CRCRC)	Sacramento region-wide (six county) group to share best practices and coordinate efforts.	Spencer Bowen on the CRCRC Steering Committee for five years; CRCRC activities helped in efforts such as the above OPR grant application and Federal EPA CPRG program. Will invite SAC members to next public workshop.
Zero-Emission Vehicle (ZEV) support	Installation of ZEV infrastructure and procurement of vehicles	All downtown chargers updated to new technology (Charge Point) Fleet services complying with State's "Green Fleets" rules and participating in ZEV Action Team (see above) New parking lot project at the Community Center also installed multiple charging ports (closer to the new pool and Community Center)
Woodland Bike Loop	Identify and promote a citywide bike loop to promote active transportation	"Woodland Wheelin'" Community ride drew roughly 40 riders on May 2 Further improvements and infrastructure (tentatively) scheduled for funding from YSAQMD next cycle Member JD Trebec shared thoughts via email - possible discussion topic
Woodland Transfer Point Relocation	The Yolo Transportation District (Yolo TD) and City are collaborating on a new downtown transfer point to replace the outdated and unsafe transit center in the County Fair Mall.	New transfer point planned for near Fifth and Main in front of the Yolo County Courthouse. Anticipated completion in Summer / Fall 2027 Project officially selected as part of SACOG's Mobility Zones program
